

At the Zombie Food Truck

At the zombie food truck, what can you eat?
Real pasta elbows, chicken fried feet.
Belly button barbeque, spicy or plain,
and then for dessert, have a big bowl of brains.

(spoken solo: Chilled and delicious!)

At the zombie food truck, what can you choose?
Crunchy finger foods just dripping with ooze.
Ooey gooey gummy guts, squishy and strained,
but do save some room for a big bowl of brains.
