

Pumpkin Bones

CHORUS

Have you ever heard of Pumpkin Bones,
Pumpkin Bones, Pumpkin Bones?
Have you ever heard of Pumpkin Bones?
He took all the pumpkins home!

x2

VERSE 1

One fun night on Halloween
we were making pumpkin bean,
went to score a pumpkin catch,
but someone picked the pumpkin patch!

PRE CHORUS

Oh, no! What'll we do?
We must find out who!
Oh, no! What'll we do?
Where did all the pumpkins go?

CHORUS

Have you ever heard of Pumpkin Bones,
Pumpkin Bones, Pumpkin Bones?
Have you ever heard of Pumpkin Bones?
He took all the pumpkins home!

VERSE 2

There he was, Ol' Pumpkin Bones,
had the pumpkins in his home,
bathroom, kitchen. 'Twas insane.
Pumpkin Bones had struck again.

PRE CHORUS 2

Oh, no! What'll we do?
Now that we know who!
Oh, no! What'll we do?
How we gonna get them back?

BRIDGE

We went right up to his door,
knocked and knocked and knocked some more,
heard the footsteps and the squeaks,
laughter filled his plumpy cheeks.
We said, "Pumpkin, that's not fair.
Where we come from, we all share.
Halloween's great, one thing we lack.
Pumpkin, give the pumpkins back!"

CHORUS

Have you ever heard of Pumpkin Bones,
Pumpkin Bones, Pumpkin Bones?
Have you ever heard of Pumpkin Bones?
He put all the pumpkins back!
