

# Skeleton Shake

Skeletons like to move.  
Rattling to the groove.  
Clicking ev'ry bone.  
While they laugh and moan.

So, shake, shake, shake, skeleton shake!  
So, shake, shake, shake, skeleton shake!  
So, shake, shake, shake, skeleton shake!  
So, shake, shake, shake, skeleton shake!

Skeletons like to tap.  
Rattling while they snap.  
Twirling on their feet.  
Shaking with the beat.

So, shake, shake, shake, skeleton shake!  
So, shake, shake, shake, skeleton shake!  
So, shake, shake, shake, skeleton shake!  
So, shake, shake, shake, skeleton shake!
